LEARN's Virtual Learning Academy Online Summer School

Need to catch up on course work over the summer but have other obligations that won't allow you to sit in a classroom? With **LEARN's Virtual Learning Academy Online Summer School**, students have the opportunity to complete necessary coursework with just one requirement - an internet connection. This summer school session is ideal for students needing credit recovery or electives and offers the ability to bring up their GPA, catch up to classmates, and get the credits necessary to graduate on time. Some students take advantage of this opportunity in order to manage an already packed academic course load for the upcoming school year.

Complete assignments on a schedule that fits your needs.

Balance academic goals with summer requirements.
