

## **ON-CAMPUS RECRUITMENT**

Subject to the provisions of subdivision (11) of subsection (b) of Section 1-210 of the Connecticut General Statutes, the high schools/programs of LEARN shall provide the same directory information and on-campus recruiting opportunities to the representatives of the armed forces of the United States of America and state armed services as are offered to nonmilitary recruiters, recruiters for commercial concerns and recruiters representing institutions of higher education and other post secondary programs.

The board shall provide full access for the recruitment of students by regional vocational technical schools, regional vocational agricultural centers, inter-district magnet schools, trade schools, charter schools and inter-district student attendance programs, provided that such recruitment is not for the purpose of interscholastic competition.

Directory information or class lists of student names and/or address shall not be distributed without the knowledge, or over the objection, of the parent or legal guardian of the student or by the student who has attained majority status. Such parent, legal guardian or student shall receive annual notice of the release of directory information.

The school administrator may make the determination of when the recruitment meetings are to take place and reserves the right to deny such meeting where the holding of such meeting will materially and substantially interfere with the proper and orderly operations of the school.

Any person or organization denied the rights accorded under this policy shall have the right to request a review of the decision by the LEARN Board of Directors by filing a written request within ten (10) days with the Executive Director.
